

# JAGADHEESH CHANDRAN J

ASSISTANT PROFESSOR  
DEPARTMENT OF ENGLISH

## ABOUT ME

My passion for teaching and understanding literature could be traced back to my school days. I have more than 10 years' experience as a teacher and 6 years' experience as a media person. I believe that the people I met and the books I read have shaped my outlook, and persuaded me to pursue teaching as my profession. I work hard to instil in my students a deep knowledge about the subject and cultivate in them a profound interest in literature. True lovers of literature would be enthusiastic, compassionate, understanding, patient, caring and above all inventive. I believe I am one among them.
